Play Care at ACG is a fully licensed Child Care facility in the state of Idaho, and would love to provide a Fun Safe and Positive environment for your preschooler! Play Care is available Monday-Thursday 1:30pm-7pm \$5.00per hour

Avant Coeur Education is for 3, 4, and 5 year olds. At ACE, we believe children learn best by interacting with their environment and their peers. Providing age-appropriate, fun materials and experiences is key to a successful preschooler. Assessing the needs of each child (by observation and talking with parents) and evaluating group needs is our fundamental goal in curriculum development. Our philosophy allows children to explore their world in a fun, safe and developmentally appropriate program.

During the day, your child will have the opportunity to focus on and refine the five areas of development. We follow common core guidelines combined with 1st grade prep traditional teaching practices. Some specific skills for each of the areas include:

Social/Emotional

Gain confidence in their ability to do things Express their needs with appropriate words and actions Develop strategies to control impulses, join in play, resolve conflicts, take turns.

Physical

Practice large motor skills in creative movement, dance and gymnastics. Refine small motor skills by manipulating and controlling objects.

Cognitive

Develop skills in matching, grouping common items and what comes next in a series. Experiment with, and describe cause and effect relationships.

Language

Increase awareness and usage of letter sounds, numbers, shapes and colors, Increase awareness and usage of writing as a means of expressing thought.

Self-Help

Independent learning Problem Solving Attention and Focus

We are a developmentally age-appropriate program that focuses on a hands-on learning approach with directive teaching and a self-directive discovery learning approach.

Our schedule includes a balance of quiet and lively activities.

Miss Sharon

Miss Sharon has been working with ACG for 5 years and working in Educational Preschools for 16 years, with 6 years of full time teaching. She is working on her AA in early childhood education.

Miss Amanda

Miss Amanda has been with ACG for 1 year and has experience in the child care field for 7 years.
