

# THE VAULT

*The Vault*

SNACK SHOP - PRO SHOP - GIFT SHOP

For that after school snack, or a cup of coffee while watching your children, The Vault will provide your family what you need to make your time at IEGA as enjoyable as possible.

For athletes that train long hours in the gym, The Vault has set up a payment system to make your families life easier day to day. Like a pre paid credit card, you can choose to put money on your childs account and The Vault will track what your child purchases each time. Another benefit is The Vault also keeps track of what and how much you want to approve for purchase. Give us a call at 772-9443 or stop by the Front Desk for more information.
